Wendy Red Star / Jean Shin / Jaune Quick-to-See Smith /
Kay WalkingStick / Saya Woolfalk

OLD STUDIO + OUTSIDE

Marie Lorenz / Mary Mattingly / Cecilia Vicuña

Illuminating the artistic contributions and perspectives of women, this two-part exhibition includes the first retrospective of the nineteenth-century American artist Susie M. Barstow (1836–1923) and work by thirteen major contemporary artists. Engaging multigenerational perspectives, this exhibition recenters women in the canon of American art and expands how we think about land and landscape.
