THE ANNIVERSARY SUMMER PARTY celebrates our joy in coming together as we honor the Past, celebrate the Present, and fulfill the Promise of an exciting future. With your amazing support and the completion of so much foundational work over the last two decades, the organization is ready for its next phase of growth.

THE PAST: Supporters like you have made miracles happen over the past 20 years, including:

- Reconstructing the 1846 New Studio
- Launching the careers of 40 young scholars through the Cole Fellows program
- Celebrating the 200th anniversary of Thomas Cole's arrival in America in partnership with Yale University and The Metropolitan Museum of Art

THE PRESENT: Today, the Thomas Cole National Historic Site is an international destination and community anchor. Our significant work across exhibitions, publications, education, interpretation, access and environmental sustainability engages the community with key issues that are both historic and timely.

THE PROMISE: The party will include a look into the future and new transformative projects that will dramatically increase our capacity to fulfill our mission.

Event design by Geoff Howell, dinner and hors d'œuvres by Creekside Catering, event cocktails by Domaney's Liquors and Fine Wines, music by Franklin Micare, restrooms by Stone Industries, tent by Cantele Tent Rentals, and fireworks by Fireworks Extravaganza.
