THE 2023
SUMMER PARTY

Hosted by Lisa Fox Martin
152 William Street
Catskill, New York 12414

Due to the enthusiastic response to the save-the-date letter,

The celebration will support *Women Reframe American Landscape*, our two-part exhibition presenting the first retrospective of the accomplished 19th-century artist Susie Barstow and also the extraordinary work of contemporary women artists who expand and challenge how we think about “land” and “landscape” today.

Your support is critical for this organization and the community it serves. As an independent non-profit, the Thomas Cole National Historic Site is responsible for raising its entire operating budget each fiscal year. Thank you for making all of our achievements possible.

This exhibition is made possible by the **Warner Foundation**.

Supported by a grant from the National Endowment for the Arts. Additional support is provided by Wyeth Foundation for American Art and Tavolozza Foundation. The exhibition and publication are also supported by Jennifer Krieger and Eric Siegel, Maurice D. Hinchey Hudson River Valley National Heritage Area, Rick and Candace Beinecke, The Coby Foundation, Ltd., Marshall Field V., Allan E. Bulley, Jr., Greene County Legislature through the Greene County Cultural Fund, National Trust Insurance Services, LLC, Suncommon, The Bank of Greene County Charitable Foundation, New York State Council on the Arts with the support of the Office of the Governor and the New York State Legislature, and the Kindred Spirits Society of the Thomas Cole National Historic Site.
