Dear Friends,

Please save the date of **Saturday, June 25** for the annual Summer Party! We're looking forward to a lovely Hudson Valley evening with you. Join us for cocktails, dinner, and fireworks overlooking the Hudson River at the home of our Chairman, Lisa Fox Martin, in Catskill, New York.

The celebration will support our 2022 exhibition, *Thomas Cole's Studio: Memory and Inspiration*, curated by Franklin Kelly, Senior Curator and Christiane Ellis Valone Curator of American Paintings, National Gallery of Art. The artworks that Thomas Cole left behind in his studio when he died in 1848 shaped the course of American art, and this exhibition will reassemble those significant works for the first time.

Your support is critical for the organization and the community it serves. As an independent non-profit, the Thomas Cole National Historic Site is responsible for raising its entire operating budget each fiscal year. Thank you for making all of our achievements possible.

Please respond by **April 25th** to be included on the printed invitation. We encourage you to gather your friends and sponsor a table together. We can't wait to see you for a magnificent evening in June.

Sincerely,

The Thomas Cole Summer Party

SPECIAL ACCOMMODATIONS FOR 2022

We hope so much to have an in-person event this June and are working to create a magical experience that is both safe and comfortable for everyone. A few of the special accommodations that we envision are the following.

As always, the entire event will be outdoors and partially under a tent. We do not plan to close the sides of any tents, which will allow the air to flow through freely.

We plan utilize the spacious property to create a large, spread out cocktail area with multiple stations for guests to quickly and easily pick up drinks.

For the dinner portion of the evening, we are offering whole tables only and have made three table sizes available: for ten, eight or six guests.

We encourage you to contact the people with whom you are comfortable dining and share a table.

You are also welcome to seat fewer people at your table than the table can accommodate; for example, to invite just four people to the table that can fit up to six.

With conditions continually changing, we will be adjusting our plans accordingly and complying with all applicable regulations and guidelines.
